

EXAMINER'S AMENDMENT

The following corrections are to replace all prior Examiner's amendments.

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Lynn Alstadt on 5/27/2008.

The application has been amended as follows:

Claim 16

Please replace all prior versions of claim 16 with - - A method for retrofitting an existing locker assembly having a door opening, said method comprising:

removing an existing frame and an existing jamb of said existing locker assembly;

providing a frame fitted with said door opening of said existing locker assembly, the frame comprising a longitudinal edge portion that defines a tongue;

providing a jamb, comprising first and second prongs and a base portion, adapted to be secured to said existing locker assembly;

joining said jamb and said frame, the tongue of the frame being situated between the first and second prongs after this joining; and

securing said jamb with the base portion to said existing locker assembly. - -
